

PACER Links in CM/ECF

Two new menu selections appear under the *Utilities* menu to allow one to navigate quickly between CM/ECF and PACER. You won't have to leave your CM/ECF session to access another court in PACER or to use the PACER Case Locator.

The screenshot shows the CM/ECF Utilities menu. The menu items are organized into sections: 'Your Account', 'Legal Research', 'E-Orders', 'Systems Tasks', 'Miscellaneous', and 'Maintenance'. The 'Links to Other Courts' and 'Pacer Case Locator (National Index)' links are highlighted with red boxes.

PACER Links in CM/ECF

The following updates have been made to the PACER Case Locator, provided by the PACER Service Center:

- Attorney information is now extracted for bankruptcy and adversary cases
- Alias records are now returned by a search based on SSN/ITIN or Tax ID/EIN
- Debtor and Joint Debtor Disposition values are extracted on all cases for which a disposition exists.

The [Link to Other Courts](#) displays the Individual Court PACER links without leaving CM/ECF.

The screenshot shows the PACER website interface. At the top, there are navigation links: "HOME", "REGISTER", "FIND A CASE", "E-FILE", "QUICK LINKS", "HELP", and "CONTACT US". The "FIND A CASE" menu is expanded, showing options like "PACER Case Locator", "Court Links", "Search Map", and "Automated Telephone Access". The main content area is titled "INDIVIDUAL COURT PACER SITES" and includes a helpful note: "Click a court below to access an individual PACER or Case Management/Electronic Case Files (CM/ECF) site. If the site you would like to access does not appear on this list, the court may not provide case information to PACER. Visit the respective [court's homepage](#) for more information. (Note: Hover mouse over [icon] to see version.)". Below this, there are three columns of links for different court levels: "U.S. Supreme Court", "U.S. District Courts", and "U.S. Bankruptcy Courts". Each court entry includes a link to the court's site and icons for ECF, RSS, and Court Information. For example, under "U.S. District Courts", there are links for Alabama Middle, Alabama Northern, Alabama Southern, Alaska, Arizona, Arkansas Eastern, Arkansas Western, California Central, California Eastern, California Northern, California Southern, and Colorado.

Withdraw as Attorney

Attorneys can terminate themselves in limited circumstances. This feature is court configurable, and some courts will choose to use this feature while others will not.

As an attorney, if you can certify that you have no controversy before the court and your client consents to withdrawal from the case, then you can withdraw from the case by docketing a new event, Withdraw as Attorney. This will result in you being terminated from the case and no longer receiving any notices of electronic filing for that case. (However, you may continue to receive notices of electronic filing on the same day your association as an attorney to the case is terminated.)

You will be removed from the mailing list and no longer receive any notices regarding this case. Attorneys can only terminate themselves and not the parties they represent. Parties will remain active.

The following is the declaration certifying that you have no controversy before the court and your client consents to your withdrawal from the case:

The screenshot shows the ECF system interface. At the top is a blue navigation bar with the ECF logo and menu items: Bankruptcy, Adversary, Query, Reports, Utilities, Search, and Logout. Below the navigation bar is a pink background area containing the following text:

Miscellaneous:

[12-10042 Billy Cameron](#)

Type: bk	Chapter: 13 v	Office: 1 (Pleasantville)
Assets: y	Case Flag: PlnDue	

I certify that I have no controversy before the court and my client consents to my withdrawal from this case.

Next Clear

Attorneys for the debtor or joint debtor in a case will not be able to terminate themselves. In addition, attorneys for plaintiffs and defendants who are also debtors in the lead bankruptcy case will not be able to terminate themselves from an adversary proceeding.

Filing agents will be able to docket this event, just as if they were the attorney, withdrawing that attorney from the case.

Docket Report Enhancements

The Create Appendix option has been modified so you have more flexibility in customizing a docket report. Now you can select only the entries you want and whether you want the PDF document appended to this customized report. Or, if you just want an abbreviated docket report without attached PDF documents, you can select only the entries you need for the task at hand.

The screenshot shows the ECF Docket Sheet interface. At the top, there are navigation tabs: Bankruptcy, Adversary, Query, and Reports. The main title is "Docket Sheet". Below the title, there is a search section with a "Case number" field containing "10-10010" and a "Find This Case" button. Below the search section, there are radio buttons for "Filed" (selected) and "Entered", each followed by a date range selector. Below that, there is a "Documents" field with a "to" label and another date range selector. The interface is divided into two columns of options. The left column is titled "Include:" and contains three unchecked checkboxes: "Terminated parties", "Links to Notices of Electronic Filing", and "Page counts for documents". The right column is titled "Document options:" and contains two unchecked checkboxes: "Include headers when displaying PDF documents" and "View multiple documents". A red rectangular box highlights a section of the "Document options:" area. This section contains a checked checkbox "Create Appendix", followed by the text "Include on the Docket Sheet:" and two radio buttons: "all docket entries in this case" (selected) and "selected docket entries only". Below this, there is another checked checkbox "Include PDF documents" with the text "(select documents on the next screen)" underneath it.

Page Counts on Docket Report

The number of pages for documents associated with a docket entry is a new option.

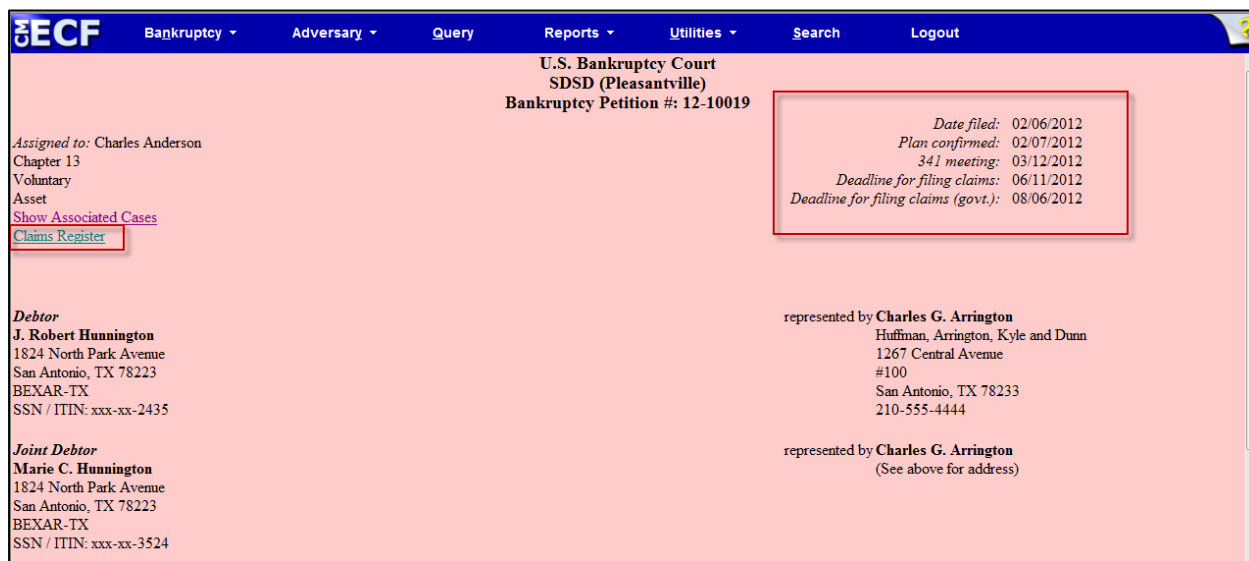

The screenshot shows the ECF Docket Sheet interface. At the top, there are navigation tabs: Bankruptcy, Adversary, Query, and Reports. Below the tabs, the title 'Docket Sheet' is displayed. The interface includes a search section with a 'Case number' field containing '10-10010' and a 'Find This Case' button. There are radio buttons for 'Filed' (selected) and 'Entered', followed by date range selection fields. Below this is a 'Documents' section with another date range field. The 'Include:' section contains checkboxes for 'Terminated parties', 'Links to Notices of Electronic Filing', and 'Page counts for documents' (which is checked and highlighted with a red box). The 'Document options:' section includes checkboxes for 'Include headers when displaying PDF documents', 'View multiple documents', and 'Create Appendix'. Underneath, there is a section for 'Include on the Docket Sheet' with radio buttons for 'all docket entries in this case' (selected) and 'selected docket entries only', and a checked checkbox for 'Include PDF documents'.

Knowing how big a file is helps PACER users predict the cost of viewing an attachment and also to anticipate the loading time of a document.

Critical Deadlines and Dates on the Docket Report

Additional dates and deadlines now display on the caption of the docket report. A link to the Claims Register appears whenever a case has claims filed.

The following dates will be shown, if appropriate, by chapter:

- | | |
|----------------------------|---|
| Plan confirmed date | Deadline for filing government claims |
| 341 meeting date | Deadline for objecting to discharge |
| Deadline for filing claims | Deadline for financial management
(Chapter 7 only) |

The most recent deadline will display whether or not it is terminated.

Docket Activity Report

The Docket Activity Report has been enhanced to include time filters. The report can be run in time increments, rather than running the report for the entire day. A new clock icon offers an alternative to typing in the time.

Calendars and 341 Meeting

You can now view All Hearings without the 341 Meeting settings included. A 341 Meeting selection has been added to the hearing type list.

The daily and monthly calendars and the deadlines and hearings report also have this new 341 Meeting option.

Query

New query options have been added:

- Filed Date range,
- Last Entry Date range
- Nature of Suit.

The screenshot shows the CM/ECF Query interface. At the top, there is a navigation bar with links for Bankruptcy, Adversary, Query, Reports, Utilities, Search, and Logout. Below the navigation bar, a warning message states: "Warning: you will be billed for the total number of pages (this report is not subject to the 30-page limit on PACER charges)." The main search area is titled "Search Clues" and contains several input fields: Case Number, Last / Business Name (with examples: Desoto, Des*t), First Name, Middle Name, SSN / ITIN, Tax ID / EIN, and Type (with checkboxes for Open cases and Closed cases). Below these fields, there are date range selectors for "Filed Date" and "Last Entry Date", each with a calendar icon. A "Nature of Suit" dropdown menu is also present, with options: "01 (Determination of removed claim or cause)", "02 (Other (e.g. other actions that would have been brought in state court if unrelated to bankruptcy))", "11 (Recovery of money/property - 542 turnover of property)", and "12 (Recovery of money/property - 547 preference)". At the bottom of the search area, there are "Run Query" and "Clear" buttons.

The Filed Date and Last Entry Date range is limited to 31 days. If a date range entered exceeds the 31 day limit CM/ECF displays an error message.

If multiple Nature of Suits are selected for a query, CM/ECF displays a message that the search could produce many records and lead to a large billing charge.

Multiple Social Security and Identification Numbers

CM/ECF now allows up to five social security numbers and tax identifications numbers for each debtor and joint debtor.

After a social security number is entered a plus icon appears beside the SSN/TaxID/EIN field. If the debtor or joint debtor has another SSN/TaxID/EIN, click the “plus” icon for another field to be displayed for additional number(s). CM/ECF will now format the numbers if you don’t insert hyphens.

The screenshot shows the 'Debtor Information' form in the CM/ECF system. The SSN/ITIN field is highlighted with a red box, showing the number 589-56-8956 and a plus icon next to it, indicating that additional SSN/ITIN fields can be added. The form includes fields for Last name, First name, Middle name, Generation, Title, Office, Address 1-3, City, State, Zip, County, Country, Phone, Fax, E-mail, and Party text. There are also buttons for Alias, Corporate parent / affiliate, Review, Submit, Cancel, and Clear.

All SSN and TaxID/EIN numbers have been included in all reports and functions throughout the application:

- On public notices and docket sheets only the last four digits of any social security or identification numbers are displayed.

Multiple Social Security and Identification Numbers

The docket sheet below is an example of how the multiple social security numbers are shown on a public notice.

The screenshot shows the ECF public notice page for a bankruptcy petition. The header includes navigation tabs: Bankruptcy, Adversary, Query, Reports, Utilities, Search, and Logout. The main content area is titled "U.S. Bankruptcy Court, SDSD (Pleasantville), Bankruptcy Petition #: 12-10059" and includes the filing date "05/09/2012". It lists the assigned chapter as "Chapter 13 Voluntary Asset" and identifies the debtor as "Donna Adams" with her address in San Antonio, TX. The trustee is listed as "United States Trustee" with an address in New York, NY. A red box highlights the "SSN / ITIN" field, which contains multiple numbers: "xxx-xx-8956, xxx-xx-5689, xxx-xx-8956, xxx-xx-8956, xxx-xx-5621". The docket text at the bottom indicates the filing of a Chapter 13 Voluntary Petition with a receipt number, fee amount, and filer information.

Filing Date	#	Docket Text
	1	Chapter 13 Voluntary Petition . Receipt Number cc, Fee Amount \$281 Filed by Donna Adams (Tracy, Dayne)

Notice of Electronic Filing

In prior releases, when an attorney represented more than one party in a case, the attorney's email and party information were listed on the Notice of Electronic Filing (NEF) only for the first party. Now the attorney is listed for each party they represent.

Although an attorney may be listed multiple times on an NEF, the system will not send multiple emails.

The screenshot displays the ECF system interface. At the top, there is a navigation bar with the ECF logo and several menu items: Bankruptcy, Adversary, Query, Reports, Utilities, Search, and a user profile icon labeled 'L. ut'. Below the navigation bar, the page title is 'Open New Bankruptcy Case'. The main content area is titled 'U.S. Bankruptcy Court' and 'SDSD'. A link for 'Notice of Bankruptcy Case Filing' is present. The main text of the notice states: 'The following transaction was received from Liska, Deanna entered on 5/22/2012 at 8:07 AM CDT and filed on 5/21/2012 at 9:00 AM CDT'. It lists the case name as 'Chip Randall and Sandy Randall', the case number as '12-10067', and the document number as '1'. The docket text reads: 'Chapter 13 Voluntary Petition . Receipt Number cc, Fee Amount \$281 Filed by Chip Randall , Sandy Randall (Liska, Deanna)'. It then lists the document description as 'Main Document' with the original filename 'R:\TRN\BK\Application Class\Web\Class PDF Files\Voluntary Petition.pdf'. The electronic document stamp includes a date of 5/22/2012 and a file number of 25563-0. The notice is to be electronically mailed to Dayne L. Tracy on behalf of Debtor Chip Randall and Joint Debtor Sandy Randall, both at deadmail@support.aotx.uscourts.gov. The notice will not be electronically mailed to the United States Trustee at 33 Whitehall Street, 21st Floor, New York, NY 10004.

Attorney and Party Association

When an attorney or trustee files a pleading, they are prompted to indicate whether they should be linked to the party they represent. In prior releases, the checkbox for the association with the attorney and party was unchecked and if the filer did not check the box, the association was not made. The checkbox for the association with the attorney and party is checked by default. The message has been updated to reflect the implications of omitting this necessary association.

The screenshot shows the ECF system interface. At the top is a blue navigation bar with the ECF logo and menu items: Bankruptcy, Adversary, Query, Reports, Utilities, Search, and Logout. Below the navigation bar is a red warning message:

File a Motion:
[12-10042 Billy Cameron](#)
Type: bk Chapter: 13 v Office: 1 (Pleasantville)
Assets: y Case Flag: PlnDue

IMPORTANT: The following attorney/party association(s) will be created in this case. De-selecting a party association will result in the filing attorney NOT receiving Notices of Electronic Filing for that party. If this is a joint filing, review the list carefully to ensure that only parties represented by the filing attorney are selected.

First Car Loan, (pty:cr) represented by Mason, Perry P. (aty)

Next Clear

If the box is unchecked, the attorney will not get added to the case for noticing or shown in queries and not appear on or receive the Notice of Electronic Filing.

Cases Report

Split, transferred and reopened dates have been added to the selection screen.

The screenshot shows the ECF Cases Report selection screen. The interface includes a navigation bar with 'Bankruptcy', 'Adversary', 'Query', 'Reports', 'Utilities', 'Search', and 'Logout'. A warning message states: 'Warning: you will be billed for the total number of pages (this report is not subject to the 30-page limit on PACER charges)'. The form contains several sections: 'Office' with a dropdown menu (Pleasantville, Green Valley); 'Assets', 'Case Type' (ap, bk), and 'Chapter' (7, 9) dropdowns; 'Trustee' (Carson, Sam J., Chapter 11 Trustee); 'Attorney' with fields for 'Last name', 'First name', and 'Bar ID'; 'Date Type' (Filed date) and a date range (From 6/19/2012 to 6/19/2012); checkboxes for 'Open cases', 'Closed cases', and 'Voluntary'; 'Type of Debtor' (Reopened date, Transferred date, Split date); 'Nature of Debt' and 'Nature of Business' dropdowns; 'County' (ANDREWS-TX); 'Number of months without a confirmed plan' (From, To) and 'Include dismissed cases' checkbox; 'Sort by' (Filed Date); 'Output Format' (Formatted display, Data only, Include field descriptions); and buttons for 'Run Report', 'Clear', and 'Make these options my default'.

External users can now search for cases without a confirmed plan. When searching by unconfirmed plan dates, the 31-day range limit does not apply for this search.

Type of debtor, nature of debt, nature of business as well as county have been added to the selection screen

Cases Report – Data Only

In prior releases, when the Cases Report was run with “Party Information” not selected, a party’s attorney information was displayed on the formatted data output, but not on the data-only output. Now the data-only output lists the attorney information for the parties in the Attorney last name field, as shown below.

If multiple attorneys exist for various parties, the role and attorney are listed, separated by semicolons, in the same field. For parties without an attorney, the text “Pro se” is displayed instead of the attorney name.

A new format option, “Include field descriptions,” has been added for use when the data-only format is selected. The field descriptions are inserted in the header row.

Claims Summary Report

A Claims Summary Report option has been added to the Claims Register. This new format gives the viewer a snapshot overview of the claims on the case.

The screenshot shows the ECF Claims Register interface. At the top, there are navigation tabs: Bankruptcy, Adversary, Query, Reports, Utilities, Search, and Logout. Below these, the 'Claims Register' section contains several input fields: Case number (1:12-bk-10031), Creditor type (dropdown menu with 'Creditor Administrative' selected), Creditor number, Creditor name, Claim number (range), and a 'View multiple documents' checkbox. There are radio buttons for 'Filed' (selected) and 'Entered', with date pickers for '1/1/1990' to '6/4/2012'. A 'Sort by' dropdown menu is set to 'Claim Number'. A red box highlights the 'View claims summary report' checkbox, which is checked. At the bottom are 'Run Report' and 'Clear' buttons.

The Claims Summary Report box produces a condensed list of claims.

Case Conversion

Previously, if a case was converted and re-converted, the Notice of Bankruptcy Case Filing query screen reflected the converted chapter rather than the original chapter. Now the original chapter is saved permanently in a new field. The original chapter will be correct for cases filed and converted after Release 5.

The original chapter and current chapter will also display on the Case Summary Query and the Docket Sheet for re-converted cases after Release 5. Case Summary is shown below.
